	Product name	Price	Image	Order
	Development board LDM-MCp0411100101-Q208 Evolution with MULTICLET P1 processor	request a quote		Submit order
	Development kit HW1-MCp04with MULTICLET P1 processor	request a quote		Submit order
Development kits with MULTICLET R1 processor	LDM-HELPER-MCP042RQ256-START	request a quote		Submit order
	LDM-HELPER-MCP042RQ256-BIG	request a quote		Submit order
	LDM-HELPER-MCP042RQ256-PROF	request a quote		Submit order
Expansion modules for development kits with MULTICLET R1 processor	LDM-HELPER-SM5 Board with 5-axis CNC module with SPI interface	request a quote		Submit order
	LDM-HELPER-NM Navigational slave-module	request a quote		Submit order
	LDM-HELPER-PK Slave-module with power switches	request a quote		Submit order
	LDM-HELPER-SI Slave-module for specialized interfaces ARINC & MKIO	request a quote		Submit order
	LDM-HELPER-FUNC Functional board with memory modules	request a quote		Submit order
