- Introduction in multicellular processors (11.10.2011)
- Conception of multicellular processors (11.10.2011)
- On a principal difference between multicellular architecture and data-flow machines EDGE, CISC, RISC, VLIW-architectures and their modifications (25.07.2012)
- Brand mark of multicellular cores and processors (04.02.2014)
- Comparison of multicellular processors MULTICLET P1, R1-1, and R1 with analogs (09.06.2014)
- Comparison of the upcoming multicellular processor MULTICLET L1 with analogues (27.06.2013)
